**FINANCING PROGRAM CONDITIONS:** Eligibility subject to Fédération des caisses Desjardins du Québec ("the Federation") approval. All annual interest rates indicated are subject to change. The financing offer is available on RONA, Réno-Dépôt and RONA VISA Desjardins credit cards and other credit card issued by the Federation ("the Card"). **≠No interest offer.** Cannot be combined with any other promotional offer, nor with the RONA credit card sign-up offer. Offer does not apply to costs of service installation. The "Multiple purchases through equal payments" offer or "Multi-purchase Plan" no interest allows the customer to make multiple purchases over a period of two months ("the deferral period") for a specific project, without making any payment nor incurring interest during this period. At the end of the deferral period, the balance of the multiple purchases is payable in 24 equal and consecutive monthly instalments without interest. Equal monthly payments are included in the minimum payment due on the card. If the minimum payment due is not paid in full by the due date, the annual interest rate of not more than 19.9% on the card applies to the unpaid equal monthly instalment. **Other conditions:** There is a 21-day, interest-free grace period on the card from the date the monthly statement is mailed or from the date it is made available in electronic format to settle the account without paying interests. Minimum card payment is 5% of the total on: (i) the balance shown on the account statement for the previous period; (ii) interests on purchases and monthly instalments that have not been paid on the due date for the previous period; (iii) regular purchases during the statement period; (iv) monthly instalment(s) relative to Multiple purchases through equal payment or Multi-Purchase Plan for the statement period; (v) deferred payment purchases due on the statement date; and (vi) past due amounts and any other amount set out in the card contract. Other conditions can be applied, refer to the card contract. See details in store. Information effective on March 16, 2015 – The Federation. (M15F)
