The financing offer is available on a RONA, Réno-Dépôt and RONA Visa Desjardins credit cards and other credit cards issued by the Federation ("the Card"). ▲ The "Deferred payment, no payments or interest" offer allows to make a purchase without having to make any reimbursement nor incurring interest during the period determined at the time of purchase. If the balance due for this purchase is not paid in full at the end of the period, such balance will be payable in 12 equal monthly instalments, if the balance is less than \$1,000, in 24 equal and consecutive monthly instalments if the balance is equal or greater than \$1,000 but less than \$3,000, and 36 equal and consecutive monthly instalments if the balance is equal or greater than \$3,000. At the end of the deferral period, the balance of the multiple purchases is payable in 24 or 36 equal and consecutive monthly instalments, accordingly to the plan registered during the deferral period, at an annual interest of 13.5% if the balance is less than \$2,500 or, if the balance is equal to or greater than \$2,500, at an annual interest rate of 4.0% (for transactions posted to the account with the 24 instalments plan during the deferral period) or at 6% (for transactions posted to the account with the 36 instalments plan during the deferral period). Equal monthly instalments are included in the minimum payment due on the card. **Other conditions:** If the minimum payment due is not paid in full by the due date, the annual interest rate of not more than 19.9% on the card applies to the unpaid equal monthly instalment, including monthly instalment. There is a 21-day, interest-free grace period on the card from the date the monthly statement is mailed or from the date it is made available in electronic format to settle the account without paying interests. Minimum card payment is 5% of the total on: (i) the balance shown on the account statement for the previous period; (ii) interests on purchases and monthly instalments that have not been paid on the due date for the previous period; (iii) regular purchases during the statement period; (iv) monthly instalment(s) relative to Multiple purchases through equal payment or Multi-Purchase Plan for the statement period; (v) deferred payment purchases due on the statement date; and (vi) past due amounts and any other amount set out in the card contract.
