RONADVANTAGES SIGN UP OFFER: Eligibility subject to Fédération des caisses Desjardins du Québec (the Federation) approval. Certain conditions apply. Offer valid on a new RONA credit card in-store application made at participating store. The cash back in RONA gift card is valid on the first in-store purchase of \$299 or more before taxes, charged to the account, the same day you apply. **Maximum cash back: \$500.** Offer applicable on merchandise sold at regular price, on rebate and on special order but some categories could be excluded (ask at your participating RONA store for details regarding these excluded categories – such exclusions may vary depending on the currently effective offer). Offer does not apply to (i) costs of services offered in store such as installation, delivery, rentals, cut services, etc. and (ii) purchase of gift cards, previous purchases, layaways, in-store accounts or clients holding specific contractual agreement. The amount received in a RONA gift card is applicable on a next purchase only and the use of this Gift Card shall mean the acceptance of the terms and conditions written on the back of the card. RONAAdvantages is addressed to the consumer only. Cannot be combined with any other promotional offer with the exception of AIR MILES® Bonus offers. This offer may end or may be changed without notice. Terms and conditions available in store or on www.ronadvantages.ca. **FINANCING PROGRAM CONDITIONS:** Eligibility subject to Fédération des caisses Desjardins du Québec approval. All annual interest rates indicated are subject to change. The financing offer is available on a RONA, RENO-DEPÔT and RONA Visa Desjardins credit cards and other credit card issued by the Federation ("the Card"). The "Deferred payment, no payments or interest" offer allows to make a purchase without having to make any reimbursement nor incurring interest during the deferral period determined at the time of purchase. If the balance due for this purchase is not paid in full at the end of the period, such balance will be payable in 12 equal monthly instalments, if the balance is less than \$1,000, in 24 equal and consecutive monthly instalments if the balance is equal or greater than \$1,000 but less than \$3,000, and 36 equal and consecutive monthly instalments if the balance is equal or greater than \$3,000. An annual interest rate of not more than 24.9% will apply to the balance. \$ The "Multiple purchases through equal payments" offer or "Multi-Purchase Plan" allows the customer to make multiple purchases over a period of two months ("the deferral period") for a specific project, without making any payment nor incurring interest during this period. At the end of the deferral period, the balance of the multiple purchases is payable in 24 or 36 equal and consecutive monthly instalments, accordingly to the plan registered during the deferral period, at an annual interest of 13.5% if the balance is less than \$2,500 or, if the balance is equal to or greater than \$2,500, at an annual interest rate of 4.0% (for transactions posted to the account with the 24 instalments plan during the deferral period) or at 6% (for transactions posted to the account with the 36 instalments plan during the deferral period). Equal monthly instalments are included in the minimum payment due on the card. **Other conditions:** If the minimum payment due is not paid in full by the due date, the annual interest rate of not more than 19.9% on the card applies to the unpaid equal monthly instalment, including monthly instalment. There is a 21-day, interest-free grace period on the card from the date the monthly statement is mailed or from the date it is made available in electronic format to settle the account without paying interests. Minimum card payment is 5% of the total on: (i) the balance shown on the account statement for the previous period; (ii) interests on purchases and monthly instalments that have not been paid on the due date for the previous period; (iii) regular purchases during the statement period; (iv) monthly instalment(s) relative to Multiple purchases through equal payment or Multi-Purchase Plan for the statement period; (v) deferred payment purchases due on the statement date; and (vi) past due amounts and any other amount set out in the card contract. Other conditions can be applied, refer to the card contract. See details in store. (M18A)
