DELIVERY: The basic installation service includes delivery within a 50-km radius from a participating store for installation of up to 4 household appliances such as leveling and connecting washers and dryers, refrigerators and electric ranges where required besides collecting old appliances on the basis of "1 new appliance delivered equals 1 old appliance taken away" for a maximum of 4 delivered/collected household appliances. Carpentry, plumbing, wall mounting or gas equipment installation are not included. Certain conditions and restrictions apply. The collection of old household appliances is applicable only to clients who own these appliances. The client has to provide safe access for the delivery personnel. Packing materials and all other waste will be collected by our team. Delivery time and costs may vary by region, by store and by model. Ask your participating store for details and service availability in your area.
